# Journal information

Online ISSN: 1828-051X

Continuous publication

### Open access

All articles published in *Italian Journal of Animal Science* are freely and permanently accessible online without subscription paywall or registration fee.

Authors of articles published in *Italian Journal of Animal Science* retain the copyright to your article and provide Taylor & Francis with the non-exclusive right to publish the Version of Record under a CC-BY-NC license.

If you are not able to act as copyright holder, please get in touch.

### Why publish with us?

• **Increased visibility and discoverability:** On average, we have eight times more readers for open access articles than for traditionally published articles. Higher readership could result in more citations for your paper.
